CAREER OBJECTIVE

Aspiring MCA graduate with a passion for software development and emerging technologies. Eager to contribute to innovative projects, enhance problem-solving skills, and grow in a dynamic environment. Seeking opportunities to learn, collaborate, and make a meaningful impact in the tech industry.

EDUCATION QUALIFICATION

- **Master of Computer Applications(Pursuing)**
CMR Institute of Technology, Bangalore
CGPA-8.61, 2026(Expected)
- **Bachelor of Computer Applications**
DVS College of Arts and Science, Shivamogga
CGPA-8.65, 2024
- **12th -Commerce**
Sri Vijaya PU College, Honnali
73.5%, 2021
- **10th**
Bharateeya Vidya Samsthe High School, Honnali
76.16%, 2019

TECHNICAL SKILLS

Languages : C, Java(Basics), HTML, JavaScript, Python

Software : Eclipse IDE, Visual Studio Code

Database: MySQL

PROJECTS

- **Title: Chatbot**
Description: Developed a basic chatbot capable of understanding and responding to user inputs using Natural Language Processing techniques. Implemented simple conversational logic to simulate human-like interaction.
Tools used: Python, NLTK, Jupyter Notebook
Learning Outcome: Gained hands-on experience in Python programming and basic Natural Language Processing concepts using NLTK. Learned how to process and respond to user inputs using simple conversational logic. Improved understanding of chatbot development, user interaction, and problem-solving in real-world scenarios.
- **Title: ATM Management System using Java Swing and MySQL**
Description: Built an ATM Management System using Java Swing with features like login, transactions, and PIN change. Integrated MySQL via JDBC for secure data handling and added session auto-logout for security.
Tools used: Java, Java Swing (GUI), JDBC (Java Database Connectivity), MySQL, Eclipse IDE, MySQL Workbench, Grid Bag Layout for UI design.
Learning Outcome: This project enhanced my understanding of Java Swing for building interactive GUIs and applying layouts like Grid Bag Layout for flexible UI design. I gained hands-on experience in integrating Java with MySQL using JDBC for secure data storage and retrieval. Additionally, I learned to implement session management and security features like auto-logout, improving both usability and safety in application design.

INTERNSHIPS

- **Company Name:** Innovant IT Solutions.

Duration: 1 month

Designation: Intern

Roles and Responsibilities: I worked on PHP to develop dynamic web pages and backend functionality. I integrated MySQL for database operations and handled tasks like form submissions, session management, and basic user authentication. This internship gave me hands-on experience in web development and improved my understanding of real-world project workflows.

CO-CURRICULAR ACTIVITIES & EXTRA-CURRICULAR ACTIVITIES

Co- Curricular Activities :

- **Online Courses & Certifications:**
 - Certified in “Learn Java Programming – Beginner to Master” through Udemy.
 - Certified in “Front -End Development” through Innovant IT Solutions.
 - Certified in “Android App Development” through Innovias Technologies.

Extra – Curricular Activities:

Won first place at the regional Kho Kho championship.

PERSONAL DETAILS

Date of Birth	: 21-03-2003
Gender	: Male
Nationality	: Indian
Permanent Address	: Near Haladamma Temple, Honnali
Linguistic Competency	: Urdu, Kannada, English, Hindi
Hobbies	: Playing Cricket
